

**Clerk of the Court and Comptroller
of Miami-Dade County
Technical Services Department**

**OFFICIAL RECORDS
PUBLIC ACCESS
FOLDER DESCRIPTION**

**CLERK OF THE COURT AND COMPTROLLER OF MIAMI-DADE COUNTY
TECHNICAL SERVICES DEPARTMENT
PUBLIC ACCESS**

The Clerk of the Courts provides a daily file containing all official records information processed by the court the previous day. This file can be downloaded by the interested parties from the County's site.

Official Records extracts are in the form of ASCII text files in which records are delimited by a caret and have variable lengths. The extract files contain the following record structure:

Daily Files

Official Records File Structure (File Definition)

File Name: dly_records_mmddyyyy.zip

Run Frequency: Daily

Description: This file contains all recorded or updated recorded documents as of the previous business day. It contains recordable documents such as deeds, mortgages, liens, certain affidavits, subdivision plats, judgments, declarations of domicile, satisfactions and releases, powers of attorney and financial statements.

Sample File: [mmddyyyy.xlsx](#)

FIELD DESCRIPTION	FIELD TYPE	COMMENT
CFN Number	NUMBER(4)	The Clerk's File Number is a sequential identifier assigned by the Clerk's Office to the first page of a recorded document. For example 02 represents the year the document with Clerk's File Number = 02R000001 was recorded. The size of this field was increased by two digits to include the century as part of the year. For the example above, the value 2002 will be stored for this field in the database.
CFN Sequence	NUMBER(10)	The second component of the Clerk's File Number represents the sequence assigned to the document at the time it is filed.
Group ID	NUMBER (5)	Group identifier within a Clerk's File Number.
Recording Date	NUMBER (8)	The recording date of the document.
Recording Time	CHAR(6)	The recording time of the document.

FIELD DESCRIPTION	FIELD TYPE	COMMENT
Recording Book	NUMBER(14)	The recording book and page printed on the first page of the document. The book number specifies the reel of film where the document can be located. For example 111/222 (book=111 and page=222)
Recording Page	NUMBER(5)	The recording page assigned to the document. The page number specifies the frame number in a reel of film where the document can be located.
Book Type	CHAR(2)	The type of book. For example Mortgages will be recorded in Official Record Books ("O" = OFFICIAL RECORDS)
Document Pages	NUMBER(5)	The amount of pages contained within the document.
Append Pages	NUMBER(5)	The amount of pages appended to the document after recorded. Also known as "A" pages.
Document Type	CHAR(15)	The County code assigned to a document based on the instrument type. For example "MOR" will be assigned to a Mortgage.
Document Type Description	CHAR(40)	A description of the County code assigned to the document. For example a "MORTGAGE" is the description of a document type "MOR".
Document Date	NUMBER(8)	Date the document was created.

FIELD DESCRIPTION	FIELD TYPE	COMMENT
First Party	CHAR(100)	Parties are now being stored differently. All parties associated with the document will be listed in the "First Party" field. The "First Party Code" field will determine the role of the party within the document. The following is an example of a Mortgage in the current format. The grantee or borrower is stored as the first party and the Grantor is stored as a second party: Doc Type First Party Second Party MOR Person Bank A Representation of the same document in the new format: Doc Type First Party First Party Cross Party Code Name MOR Person D Bank A MOR Bank A R Person Please note that only First Party information is included in this field. In addition, the First Party Code represents the role of the document where D = Direct and R = Reverse.
First Party Code	CHAR(1)	Specifies the role of the party. Possible values are: D=DIRECT, R=REVERSE.
Cross Party Name	CHAR(100)	See First Party
Original CFN Year	NUMBER(4)	A reference to the year component of the Clerk's File Number of the original document. For example, a Satisfaction of Mortgage may include a reference to the Clerk's File Number of the Mortgage document.
